We have moved!

During October, we spent a few hectic weeks moving our registered office from the Latton Bush Centre to bigger and better offices within Wych Elm. These premises will be called The Rainbow Centre with an aim of housing support and information for local voluntary and community groups. The Mobile Play Project which is soon to be launched will also be based within The Rainbow Centre.

Our brilliant team of volunteers contributed a huge amount of time and effort painting the inside of the building to help us feel at home. THANK YOU to everyone who risked getting covered in paint to help out!

The Rainbow Centre offers desk, meeting room and training room space for voluntary organisations to hire as well as equipment and a resource library. To date we have four organisations who have moved in with us and they are getting to know each other - perhaps some partnership working will be on the horizon?!

An official launch of the Rainbow Centre will happen in the New Year, so keep your eyes peeled for details in the near future!...

Our new address is; Rainbow Services, The Rainbow Centre, 2 Wych Elm, Harlow, Essex, CM20 1QP
