

Join St Clare Hospice as a Compassionate Neighbour and help change lives.

Book your place on our free training
today, and tackle social isolation
in your local community.

The **Compassionate Neighbours** project at St Clare Hospice connects local people who are living with a life-limiting illness or frailty, with volunteers who offer a listening ear and friendship.

We are looking for new volunteers to help us support even more socially isolated people during the coronavirus pandemic. Our free, bespoke training sessions are delivered via Zoom.

Once matched with a member of the local community, you'll be able to call or visit them once a week - in line with government regulations.
